OFFICE OF PETITIONS

Sir:

PETITION TO CORRECT INVENTORSHIP UNDER 37 CFR §1.48

Applicants respectfully petition the Commissioner of the United States Patent and Trademark Office, pursuant to 37 CFR §1.48, to correct a failure to name an additional inventor to the originally-filed patent application. Through errors, Dr. George Weiner was incorrectly not named as an inventor of the above-identified patent application without deceptive intent on his part. Specific guidelines for correction of inventorship of a pending patent application have been promulgated at 37 CFR §1.48. This section states in part "(a) if the inventive entity is set forth in error in an executed §1.63 Oath or Declaration in an application, other than a reissue application, and such error arose without any deceptive intent on the part of the person named as an inventor in error or on the part of the person who through error was not named as an inventor, the application may be amended to name only the actual inventor or inventors. ... Such amendment must be accompanied by:

(1) A petition including a statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part;

(2) An oath or declaration by the actual inventor or inventors as required by §1.63 or as permitted by §§1.42, 1.43, or 1.47;

(3) The fee set forth in §1.17 (i); and

(4) If an assignment has been executed by any of the originally named inventors, the written consent of the Assignee(s).

Applicants request that the Patent Office add Dr. George Weiner to this patent application.

Attached to this Petition are the following as required by 37 CFR §1.48 (a);

- A verified statement from Dr. George Weiner stating that the error in inventorship occurred without deceptive intention on his part;
- A verified statement signed by an official of the Assignee, The University of Iowa Research Foundation, to whom the originally named inventor, Dr. Arthur Krieg assigned all of his rights;
- A check for the fee set forth in 37 CFR §1.17(i) in the amount of \$130.00.

Should any questions remain regarding this petition, it is requested that the Examiner contact Applicants' representative, as signed below.

Respectfully Submitted,

Helen C. Lockhart, Reg. No. 39,248

Verified Statement of Dr. George Weiner

RECEIVED
JUL 28 2000
OFFICE OF PETITIONS

I, George Weiner, state the following:

1. There was an error in not naming myself as an inventor to the above-identified patent application and this error occurred without any deceptive intention on my part.
2. I hereby declare that all statements herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent issued thereon.

Verified Statement of the University of Iowa Research Foundation

Statement in Support of Correction of Inventorship Under 37 CFR §1.48

1. I, W. Bruce Wheaton, am an official of the University of Iowa Research Foundation and have authority to act and sign on behalf of the University of Iowa Research Foundation.

2. The University of Iowa Research Foundation is the sole and exclusive assignee of the rights of Arthur M. Krieg in the above-identified patent application, and as such is the sole owner of this patent application at this time. Assignments evidencing this ownership have been recorded with the USPTO on September 8, 1999, reel and frame 010219/0523. (Copy enclosed.)

3. I hereby verify that the University of Iowa Research Foundation agrees with the petition to amend inventorship attached hereto. Inventorship was named improperly when the

above-identified patent application was filed, but this error was a mistake, and involved no deceptive intent on the part of the University of Iowa Research Foundation.

4. I hereby declare that all statements herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent issued thereon.

ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, Arthur M. Krieg, hereby

Sell, assign and transfer to the University of Iowa Research Foundation, a corporation of Iowa having a place of business at 214 Technology Innovation Center, Oakdale Research Campus, Iowa City, Iowa, 52242, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent filed on June 21, 1999, assigned serial no. 09/337,619 and entitled **METHODS OF TREATING CANCER USING IMMUNOSTIMULATORY OLIGONUCLEOTIDES**, and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority.

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, agree to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to me relating to said inventions and the history thereof, and generally by doing everything possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee.

Hereby request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me, and that full right to convey the same as herein expressed is possessed by me.
